

## Join the Trillium Health Partners Board of Directors

Trillium Health Partners (THP) is inviting applications from community members to serve on its Board of Directors on a volunteer basis. The role of a THP Board Member includes providing strategic advice, direction and oversight to support: management excellence, program quality and effectiveness, financial management, external relationships, planning and organizational risk.

THP is a leading hospital with an outstanding record of performance, fiscal responsibility and quality patient care. The hospital encompasses three main sites — the Credit Valley Hospital, the Mississauga Hospital and the Queensway Health Centre — offering a full range of acute care hospital services, as well as a variety of community-based and specialized programs. To continue delivering exceptional patient care to our diverse and growing community, we must look for new and innovative approaches. We envision a new kind of health care for a healthier community — an inter-connected system of care that is organized around the patient, both inside the hospital and beyond its walls.

If you are a member of the diverse community we serve and committed to the improvement of the health care system, we'd like to hear from you. Ideal candidates will have post-secondary education, are comfortable speaking candidly and openly in a group setting, and are adept at working within an environment of broad perspectives and ideas. If you have senior level experience leading within large, complex organizations, and have played a role in building stronger communities, we want to hear from you. Your experience could involve large operationally-focused public or private sector organizations, a community service or cultural organization, a religious institution, or other philanthropic endeavours in the communities serviced by THP.

To explore this opportunity to serve on the Hospital Board of Directors, please email Paula Di Turi, Corporate Governance and Board Relations Lead, at [Paula.DiTuri@thp.ca](mailto:Paula.DiTuri@thp.ca) by March 20, 2025 with your current resume and letter outlining your interest.
