

Join the Research Ethics Board as a Community Member

Do you believe in a healthcare system that is representative of the community you live in? Do you think we should learn more about our communities to inform healthcare practices? Would you like to contribute to research that is shaping the lives of our community? If yes, our research ethics board needs you!

The Trillium Health Partners (THP) Research Ethics Board (REB) is looking for members of the community to join our Board. This is an opportunity for you to contribute to research projects that are taking place in your community and to ensure that the values and needs of people in your community are taken into consideration when participating in research.

Members of the REB are volunteers who are committed to making sure research at THP is important to the unique needs of our community and can improve the health of everyone involved. If you want to join, you must be:

- Concerned about the wellbeing of people taking part in research
- A Canadian citizen or permanent resident
- At least 18 years old
- People of all backgrounds and lived experiences are encouraged to apply
- Residents of Peel region are preferred

If you are interested, please contact us at
THPREB@thp.ca or **437-777-2083**.

Thank you for your interest!
